

ABNORMAL LOAD CLEARANCE REQUEST

Irish Ferries ship many types of abnormal or out of gauge loads however we need to get some detail in advance to ensure that we can accept the load for shipping.

Please complete the form below, submit to us and we will revert to discuss your options. Remember that completing the form does not confirm shipment. All loads are shipped subject to Irish Ferries Standard Conditions of Carriage.

We look for your measurements in metric please. If you have drawings to accompany the form – please send them

TRAILER SHIPMENTS All trailers must be fitted with ferry lashing rings

Is the trailer fitted with a trestle point

Yes / No (please indicate)

How many lashing rings on each side of trailer

If you have further information that you think would be relevant please let us know – include height/ ground clearance, special handling instructions etc.

We will check to make sure that the load is suitable for shipment on the route and time you want and we will be back to you shortly. If you need any assistance with the form or if you have any questions about the load then please feel free to give us call first.
